In Government Order No. 1024-83/Ref. 29-22-2, dated the 12th November 1923, Government have sanctioned the grant of travelling allowance to members of the Representative Assembly for their journeys and halts in connection with the Assembly meetings.

Orders are solicited here as to whether these allowances are admissible to members of the Assembly when they undertake journeys in order to attend the meetings which will be held at District Headquarters for the purpose of selecting representations, interpellations and resolutions.

It may be pointed out that in connection with the Legislative Council, members draw travelling allowances not only when they travel for the purpose of attending the meetings of the Council but also when they travel for attending Select Committee meetings. On this analogy, it would seem to follow that Representative Assembly members should be entitled to draw travelling allowances whenever they travel on business connected with the Representative Assembly. I think the same rates of TA have to be given to RA members for District meetings.
